

Heroes of the Movement

KNOWING WORLD-CHANGERS IN SELMA

Before watching Selma, we will take time to learn about the influential activists fighting for change in voting rights for Black Americans and Dr. King.

After being assigned an activist, research to create a Fake Instagram (provided doc) of your assigned activist to honor their hard work in equality. **You must include the following points of importance in some way in the doc:**

- a. causes for which the person worked.**
- b. personal life & obstacles he/she had to overcome.**
- c. her/his accomplishments and influence on others.**
- d. any additional relevant information you deem fit for your classmates.**

Make sure to create their @IG handle, make comments of at two three sentences for each picture you put on the doc, and include ALL the points above for full credit.
